

Boat Information

(Note this form is subject to change prior to Regatta and is subject to necessary town agreements.)

Arrival: Competitor's sail boats may be delivered to the Hyannis Yacht Club beginning on Thursday July 27, 2017 after 1600 until check in closes at 1900, and prior to/during check in on Friday July 28, 2017 (0730-930) and for Optimists and Beetle Cats only, on Saturday July 29, 2017 from 0730-0830.

No boats or trailers can be left at the Yacht Club parking area at any time. Cars and trailers dropping off boats during check in will be allowed to drive down to the Beach area lot solely to off-load as directed by the parking volunteers. Boats may be stored in designated areas on the southern end of Veteran's Beach nearest to the Yacht Club. Storage areas will be marked by class of boat; please observe posted signs to help maintain order. If stored on the beach, please be sure to leave boats above the high-water mark.

All trailers must be stowed at 320 Ocean Street, a short drive north of the Club on Ocean Street. A parking volunteer will be on site to direct the placement of trailers in the lot. Please observe the parking lanes and barriers. From there to the Yacht Club is a short walk/drive down Ocean Street. Boats may be landed and stored on Veteran's Beach only. No overnight parking (car or trailer) is permitted at Veteran's Beach.

Coach boats and other motor boats can be launched from public launch sites near the Cape Cod Hospital and off of Old Harbor Road.

Departure: Groups with large trailers are encouraged to contact the Steward's office in advance of the Regatta to make arrangements for both storage and departure.

All other boats will be loaded onto trailers/into cars at the conclusion of racing as space at the Beach area allows. Please have your boat completely de-rigged and ready to load before bringing the trailer to Veteran's Beach. Once loaded, all trailers must leave the Beach.

At all times, entrance to Veteran's Beach and the HYC parking lot is via the Beach's main/gatehouse entrance. Exit from the Beach area is via the adjacent Yacht Club driveway. NO parking is allowed on any of the Beach access roads, on the Yacht Club driveway or at the Captain's Table lot.

The arrival and departure of many boats at the same time can be trying. Your cooperation with the parking volunteers is appreciated.
